Taste Maker

In honor of Cinco de Mayo, *Real Housewives of New York City* star **Bethenny Frankel** stopped by OK!'s midtown Manhattan offices to offer an exclusive first taste of her new Skinnygirl Margaritas. Available in liquor stores nationwide in June, the "guilt-free" drink boasts a mere 96 calories — and a seriously chic bottle. "Everybody wants to drink a margarita, but they don't because of the calories," Bethenny, 38, tells OK!. "So I created a margarita you can trust: There's just a tiny hint of sweetness, so you feel like you're indulging." The previous evening, Bethenny attended the Met Costume Institute Gala afterparty alongside A-listers **Kate Hudson** and **Anne Hathaway**. "Skinnygirl," says Bethenny, "is their favorite drink."

The host with initiative's Jason Gomez.

Joan Pedley, Bethenny, Revlon's Deanna Dearango.
